.....> how it works <

1. Simply commit to 3 months of oven ready restaurant quality meals for pick up/delivery.
2. On the first day of each month you will choose which meal subscription you want that month, the more meals you purchase, the bigger the discount. Want 2 meals one month, and 8 meals another? No problem! You can change your meal subscription every month to fit your schedule and needs.
3. Choose your meals and pick your pick up/delivery dates & times! We deliver on Friday's between 5pm and 7:30pm for a \$5 local delivery fee, or you can pick up at the Holland & Fulton farmers market on Saturday's.
4. Once you customize your meal plan for the month, we will send you a final bill with your discount, tax and delivery fee if you choose that option. Your bill must be paid prior to your first pick up/delivery. We accept cash, check, venmo & all major credit cards.
5. You simply bake it when you're ready to enjoy!
6. After the 3 months your subscription ends automatically, unless you choose to renew.
